

FROM THE DIRECTOR:

I am very excited about the 2010 TSONS Summer Program. It is our goal to provide young children with age appropriate and exciting summer fun in a familiar, comfortable, and safe setting.

The warm summer days will be filled with songs, arts & crafts, games, guest visitors, non-pool water play, pre-sports activities, and *special surprises!*

All classes will be taught by qualified Early Childhood teachers.

The children will be divided into age groupings and will spend from 9 am to 1 pm in the classrooms and on the yards. **THE POOL WILL NOT BE USED BY OUR PROGRAM DURING THESE FOUR HOURS.**

A **Pool Enrichment** class is offered on Mondays, Tuesdays, and Thursdays from 1 pm - 3 pm. On Wednesdays and Fridays we will offer **themed Enrichment Classes.**

This year, TSONS is teaming up with **Sunsplash Swim School**, owned and operated by Michal Harris. Sunsplash will provide the life guard and will have instructors in the pool for our Swim Enrichment Classes. Sunsplash Swim School will also be offering private and semi-private **swim lessons** during and after our summer program hours. Please see the [separate brochure regarding swim lessons or call: \(818\)](#)

TSONS is a great option for **Pre-K Students** who want to reduce the number of transitions before Kindergarten. Also, **Kindergarten students** can come back for summer days filled with special activities just for these "older" kids!

I look forward to being a part of your family's summer plans. As always, feel free to call with any questions you might have.

Stock up on sunscreen, find a comfortable hat and make your plans for a summer that includes the TSONS experience.

HEMES:

Session 1 (June 21 - July 9) "Sail Away with Us"

Come sail away with us as we learn about, and stay cool with, water activities. We'll make rivers and talk about all kinds of boats. We'll look at sea creatures and get to touch lots of fun sea animals in a real tide pool from the Mobile Marine Aquarium! In addition, we'll celebrate our country's birthday in story, song and of course parade.

Session 2 (July 13 - July 31) "It's Happenin' Now"

This session we're traveling around to discover what's going on in our own time, with the travel plans being half the fun! What places can we get to by land, in the air or on the sea? How do airplanes fly? We can get to places fast or slow - which do you prefer? How long would it take to get to the other side of the country by train? By horseback? What can you do for fun on a boat? These and many other questions will be answered as we travel around to find out what's happenin' now!

Session 3 (August 3 - August 31) "To Infinity and Beyond"

Blast off to the Future with us in Session 3. Learn all about our Solar System through arts and crafts projects, special guests and, of course, a moon bounce! Let's travel into space making rocket ships and watching out for aliens and other space creatures. Have fun imagining yourself to be an astronaut and figuring out what you might eat and how it would feel to walk in space. Space celebrations, star games and planet art will all be part of our fun this session.

SESSIONS: 9 am - 1 pm

Three - three week sessions. Children can attend 2, 3, 4 or 5 days per week.

Session 1 June 22 - July 10 (SESSIONS will be closed on Friday, July 3rd)

Session 2 July 13 - July 31

Session 3 August 3 - August 21

WHAT TO WEAR: bathing suit under play clothes

WHAT TO BRING: lunch, extra change of clothes (including underwear), towel, sunscreen, and backpack.

PLEASE LABEL ALL CLOTHES AND ACCESSORIES

OUR IDEA OF FUN WATER PLAY (Apply plenty of sunscreen before leaving home!!)

Children will stay wet and happy with sprinklers, wading pools, car & bicycle washes, spritzers, castle building and our famous swamp with hose play.

SEAWATER ENRICHMENT PROGRAM 1pm - 3pm

Mondays, Tuesdays, Thursdays - *Pool Enrichment* - Our fabulous pool, Sunsplash Swim instructors, plus a life guard and teachers on deck! **(Bring water shoes!)**

Wednesdays - "*Summer Art*" - clay, sculptures, feet painting and much more.

Fridays - "*Pre Sports and Fitness*" - getting young bodies in motion!
