PARENT AND ME CLASSES (children 12 months – 28 months)

This will be a class for both children and parents. Children will have an opportunity to participate in age appropriate activities including socialization and experiences in art, music, body movement, manipulatives and much more. Parents will have the opportunity to share the exciting and frustrating experiences of parenting. This class meets one day a week. Classes are grouped according to age, with a 6-7 month age span in each class.

TRANSITION CLASSES (children 2.3 yrs/mos – 2.8 yrs/mos)

Not everyone will participate in this Transition program. It is designed for those children with **January through June birthdays** who just miss our Nursery School cut-off by a few months. This class is a bridge between the Parent and Me Program and the regular Nursery School Program. In the beginning, child and parent will attend together and gradually work toward successful separation. The class will meet two times per week and will provide the opportunity for the children to begin relating to their teachers in a group situation. The daily schedule is planned to provide a balance of indoor/outdoor, quiet/active, individual/group, large muscle/small muscle and child initiated/staff initiated activities.

Enrollment in the Parent and Me Programs give parents the opportunity to experience a taste of our school, allowing them to decide if they wish to apply to our regular nursery school. Enrollment in the Parent and Me programs gives you priority into the regular nursery school providing you have applied for a spot in our regular school. Our regular nursery school admits children with a September age between 2.9 and 3.9 yrs/mos. Those accepted into our regular nursery school program have the options of attending either 2 or 3 mornings OR 2, 3, or 4 afternoons per week.
